INDEX TO VOLUME EIGHTY-THREE

July, 1930—June, 1931

—A—

Abdominal pain, some medical aspects, by Dr. J. Holmes Smith, Jr. ... 889
Acidosis and alkalosis in children, by Dr. G. L. Arrington ... 388
Acree, F. M.,—Epidemic cerebrospinal meningitis ... 214
Address, President's, Mississippi State Medical Association, by Dr. E. F. Howard ... 847
Agglutination tests, simple blood smear, some observations in tularemia, typhus and undulant fever, a preliminary report, by Dr. S. J. Lewis ... 26
Allergic diseases, what result may we expect in treatment of, by Dr. Narcisse F. Thiberge ... 162
Alvarez, Walter C.,—Puzzling types of indigestion ... 515
Amytal as an aesthetic, by Dr. C. T. Chamberlain ... 231
Anderson, A. L.,—Intestinal obstruction due to watermelon seeds, by Dr. A. L. Anderson and Dr. C. W. Anderson ... 256
Anderson, C. W.,—(joint author),—see Anderson, A. L. ... 256
Anemia, pernicious, the digestive tract in, by Dr. Daniel N. Silverman ... 357
Anesthesia, controllable spinal, by Dr. John C. Culley ... 318
Anesthesia, rectal, in obstetrics, by Dr. Lionel J. Bienvenu ... 705
Anesthetic, some observations on the choice of, with special reference to spinal anesthesia, by Dr. O. C. Cassegrain ... 539
Appendix, chronic, from the roentgenological standpoint, by Dr. Adolph Henriques ... 29
Anxiety states, diagnosis and treatment of, by Dr. D. L. Kerlin ... 99
Arrington, G. L.,—Acidosis and alkalosis in children ... 388
Arthritis, infective, causative factors and treatment of, by Dr. Reginald Burbank ... 852
Autotransfusion, report of three cases, by Dr. Louis Levy ... 886

—B—

Bandage for treatment of fractures of the pelvis, by Dr. E. Denegre Martin ... 678
Baptist Hospital, Jackson, Miss., Staff Transactions ... 413, 889
Barrow, S. C.,—Memorial services for deceased members ... 587
Bartlett, Willard,—Surgical mortality: its meaning for the operator, by Dr. Willard Bartlett and Dr. Willard Bartlett, Jr. ... 683
Bartlett, Willard, Jr.,—(joint author),—see Bartlett, Willard ... 683
Barton, J. C.,—Types of pneumococci in the far South ... 649
Beri-Beri: its medical and economic interest and specific treatment, by Dr. A. B. Pavy ... 559
Bethea, Oscar W.,—Some suggestions in physical diagnosis ... 405
Bethea, Oscar W.,—The treatment of hyperchlorhydria ... 307
Bienvenu, Lionel J.,—Rectal anesthesia in obstetrics ... 705
Birth canal injuries, the prevention and management of, and the anatomical repair of old lacerations of the perineum, by Dr. Thomas B. Sellers and Dr. John T. Sanders ... 757
Blood dyscrasias, some cases of, by Dr. E. L. Green (Case Report) ... 102
Blood, whole, use in pediatric work, by Dr. N. C. Womack ... 639
Bloom, Charles James,—Influenzal meningitis is amenable to treatment ... 455
Book Reviews ... 58, 122, 197, 276, 345, 432, 504, 583, 667, 748, 838, 920
Brewster, C. B.,—(joint author),—see Lyons, Shirley C. ... 287
Brister, S. L., Jr.,—Upper left abdominal tumor mass in children and some points in differential diagnosis ... 445
Brown, M. Earle,—The early diagnosis of optic atrophy ... 244

521124

Bruns, H. Dickson,—Note on psittacosis 132
Bullock, J. K.,—Some pediatric aspects of some important surtical conditions of infants 81
Burbank, Reginald,—Causative factors and treatment of infective arthritis 852
Butler, Willis P.,—A plea for better cooperation between surgeons and pathologists 792

—C—

Cancer of the stomach, the problem of, by Dr. J. Shelton Horsley 351
Cancer problem from the public standpoint, by Dr. Arthur Vidrine 674
Cancer situation as the laymen should see it, by Dr. C. Jeff Miller 671
Carcinoma of the stomach, with case reports, by Dr. A. Street 205
Carpenter, E. R.,—Ventriculography and encephalography in diagnosis and treatment of lesions of the brain 787
Case Reports and Clinical Suggestions 37, 102, 256, 325, 405, 649, 797
Cassegrain, O. C.,—Some observations on the choice of an anesthetic with special reference to spinal anesthesia 539
Cesarean section, low cervical, by Dr. Hillard E. Miller 227
Chamberlain, C. T.,—Amytal as an anesthetic 231
Chaney, William C.,—A practical consideration of the early diagnosis of diseases of the thyroid gland 96
Charity Hospital Surgical Staff Meetings 43, 492, 653
Chordoblastoma: report of case, by Dr. Edwin H. Lawson 714
Choriocarcinoma (chorioepithelioma) of the uterus, by Dr. H. Vernon Sims 882
Clark, L. J.,—Precordial pain 282
Club foot in infants, simple retention splint for, by Dr. Leslie V. Rush and Dr. H. Lowry Rush 892
Clysma, opaque, in examination of colon, by Dr. Lester J. Williams 778
Cisterna puncture, use of, as an aid in diagnosis of, and in the treatment of, intracranial hemorrhage of the new born, by Dr. Maud Loeber 536
Cohen, Joseph,—Sterility 401
Cohn, Isidore,—Plastic surgery and its relation to industrial surgery 623
Cold, common: with especial emphasis as to etiology and treatment, by Dr. D. W. Hamrick .. 33
Colitis, by Dr. C. W. Patterson 361
Corneal ulcers, by Dr. W. Lauch Hughes 246
Crawford, Rena,—A study of the incidence of rickets in a group of infants in New Orleans and an effort to prevent the disease in a certain number of that group, by Dr. Rena Crawford and Dr. G. Richarda Williamson 219
Culley, John C.,—Controllable spinal anesthesia 318

—D—

Darrington, Gilruth,—Diagnosis and treatment of ruptured gastric and duodenal ulcers 201
Daspit, Henry,—The immediate handling of sciatic pain 596
Davis, David M.,—Perineal prostatectomy 599
Dempsey, J. George,—The why of vital statistics 588
Diabetes, juvenile, by Dr. Arthur A. Herold 766
Diagnosis, physical, of rheumatic heart disease in children, by Dr. Hugh McCulloch 507
Digestive tract in pernicious anemia, by Dr. Daniel N. Silverman 357
Disabilities of advancing years: how to meet them, by Dr. James S. McLester 367
Doctor in court, by William A. Porteous 61
Doctor, the old time country, and today's specialism, by Dr. George A. McBride 437
Duncan, Dean H.,—Psychoneuroses in general practice 379
Duodenal stasis, chronic, by Dr. Harold G. F. Edwards 781

—E—

Eclampsia, a case with sixty-one per cent albumin: recovery, by Dr. Louis Levy 39
Eczema, infantile, use of ephedrine sulphate in, by Dr. T. A. Maxwell 798
Editorials 41, 111, 171, 257, 327, 410, 488, 565, 650, 723, 800, 893
Edwards, Harold G. F.,—Chronic duodenal stasis 781
Ephedrine sulphate, use in infantile eczema, by Dr. T. A. Maxwell 798
Eshleman, C. L.,—Malta fever 128
Esophagus, retrograde method of dilating cicatricial stenosis of, by Dr. Harold Leslie Kearney 23
Eye, Ear, Nose and Throat cases, first aid for the general practitioner in, by Dr. C. A. Weiss 874

—F—

Fairfax, H. R.,—Headaches of nasal origin 237
Fernandez, J. R.,—Mastoiditis as a causative factor of ileocolitis and bronchopneumonia (Case Reports) 474
First years of practice, by Dr. C. Jeff Miller 125
Foreign body in zygomatic fossa, by Dr. Arthur L. Whitmire (Case Report) 799
Fortier, L. A.,—Intussusception, roentgenologically considered, by Dr. L. A. Fortier and Dr. T. T. Gately 637
Fractures, by Dr. Charles L. Scudder 753
Fracture of the femur, by Dr. F. H. Hagaman 233
Fractures of the pelvis, a new bandage for the treatment of, by Dr. E. Denegre Martin 678
Fracture of the transverse process of the fifth lumbar vertebra, by Dr. Julius L. Levy (Case Report) 110
French Hospital Staff Meetings 44, 113, 417, 493, 570, 653, 728, 802, 895

—G—

Gall bladder disease, roentgen diagnosis of, by Dr. George M. Street 679
Gamble, H. A.,—The educational needs of present day nursing 165
Gastro-intestinal diseases, some observations on, by Dr. J. H. Musser 208
Gately, T. T.,—(joint author),—see Fortier, L. A. 637
Gelpi, Maurice J.,—Surgery of the ovary 441
Gessner, Hermann B.,—The adequate distribution of medical service 843
Gouaux, Frank J.,—Medical progress 1
Gray, J. W.,—Proteotherapy 385
Green, E. L.,—Some cases of blood dyscrasias 102
Guerriero, H. E.—Four cases of Hodgkin's disease treated with radium 698
Gunshot wounds, abdominal, prognostic factors in, by Dr. Frank L. Loria 393
Gynecological conditions, physical agents in treatment of, by Dr. F. H. Walke 553

—H—

Hagaman, F. H.,—Fracture of the femur 233
Hall, Edwin Press,—The simulation of visceral lesions by neuralgia of the nerves supplying the abdominal wall 311
Hamrick, D. W.,—The common cold: with especial emphasis as to etiology and treatment 33
Harris, Robin,—Gross and microscopic pathology in chronic maxillary sinus disease 138
Hatch, Edward S.,—Acute osteomyelitis of the spine. Report of case with recovery. Review of the literature 861
Hays, Hardie R.,—The control of venereal diseases in Mississippi with competent treatment by the general practitioners 591
Headaches of nasal origin, by Dr. H. R. Fairfax 237
Hemorrhage, intracranial of the new born; the use of cisterna puncture as an aid to diagnosis of, and in the treatment of, by Dr. Maud Loeber 536

Hemorrhagic disease of the newlyborn as a cause of sudden death (Report of three cases of visceral hemorrhages) by Dr. John Signorelli 467
Henderson, W. F.,—Duodenal ulcers in childhood 295
Henriques, Adolph,—The chronic appendix from the roentgenological standpoint 29
Hernia, right sided diaphragmatic, by Dr. T. Hillman Oliphant 104
Herold, Arthur A.,—Juvenile diabetes 766
Hodgkin's disease, four cases treated with radium, by Dr. H. E. Guerriero 698
Hookworm infestation in Mississippi, by Dr. C. A. Palmerlee 534
Horsley, J. Shelton,—The problem of cancer of the stomach 351
Hospital Staff Transactions 43, 113, 173, 260, 329, 412, 490, 567, 653, 726, 802, 895
Hotel Dieu Staff Meeting 802, 898
Howard, E. F.,—President's address, Mississippi State Medical Association 847
Howard, E. F.,—Tonsillectomy hemorrhages 149
Hughes, W. Lauch,—Corneal ulcers 246
Hydronephrosis, conservative management of, by Dr. H. W. E. Walther 18
Hyperchlorhydria, treatment of, by Dr. Oscar W. Bethea 307

—I—

Indigestion, puzzling types of, by Dr. Walter C. Alvarez 515
Intestinal obstruction due to watermelon seeds, by Dr. A. L. Anderson and Dr. C. W. Anderson (Case Report) 256
Intussusception, roentgenologically considered, by Dr. L. A. Fortier and Dr. T. T. Gately 637

—J—

Jamison, Chaille,—Experience with recent methods in the treatment of pulmonary tuberculosis 693
Johns, F. M.,—Another modification of the precipitin test for syphilis 279
Jones, Walter C.,—Abdominal pregnancy, report of a case, probably tubal in origin, by Dr. Walter C. Jones and Dr. Thomas J. Parks (Case Report) 169

—K—

Kearney, Harold Leslie,—The retrograde method of dilating cicatricial stenosis of the esophagus 23
Kemmerer, T. W.,—Flocculation test for syphilis 159
Kerlin, D. L.,—Diagnosis and treatment of anxiety states 99
King's Daughters Hospital Transactions 260
Kirk, R. D.,—Treatment of acute peritonitis 76
Knee joint, internal derangement of, especially the semilunar, by Dr. Paul A. McIlhenny 618

—L—

Lady of the Lake Sanitarium, Clinicopathological Conference 490, 655, 726, 802, 895
Lawson, Edwin H.,—Chordoblastoma: report of case 714
Lemann, I. I.,—Meningococcemia for eight months following meningitis: recovery, by Dr. I. I. Lemann and Dr. H. E. Teasley 448
Levy, Julius L.,—Fracture of the transverse process of the fifth lumbar vertebra (Case Report) 110
Levy, Louis,—A case of eclampsia with sixty-one per cent albumin: recovery 39
Levy, Louis,—Autotransfusion, report of three cases 886
Lewis, S. J.,—Some observations on simple blood smear agglutination tests in tularemia, typhus and undulant fever; a preliminary report 26
Loeber, Maud,—The use of the cisterna puncture as an aid in diagnosis of, and in the treatment of, intracranial hemorrhage of the new born 536
Loria, Frank L.,—A composite statistical study of the Charity Hospital surgical deaths 688

Loria, Frank L.,—Prognostic factors in abdominal gunshot wounds 393
Louisiana State Medical Society News 49, 115, 186, 263, 334, 420, 496, 573, 659, 735, 818, 903
Lucas, R. T.,—Epidemic vomiting or intestinal influenza 213
Lurie, W. A.,—Neuralgia; tic douloureaux; treatment by injection of quinin urea 249
Lynch, R. C.,—Sinus disease in children 144
Lyons, Shirley C.,—The treatment of varicose veins and varicose ulcers by injection of sclerosing solution, by Dr. Shirley C. Lyons and Dr. C. B. Brewster 287

—M—

Maes, Urban,—Preoperative preparation 14
Maes, Urban,—The safeties of surgery 71
Malta fever, by Dr. C. L. Eshleman 128
Martin, E. Denegre,—A new bandage for treatment of fractures of the pelvis 678
Mastoiditis as a causative factor of ileocolitis and broncho-pneumonia, by Dr. J. R. Fernandez 474
Maxwell, T. A.,—The use of ephedrine sulphate in infantile eczema 798
Medical profession and the public, by Dr. W. C. Rappleye 6
Medical progress, by Dr. Frank T. Gouaux 1
Medical service, adequate distribution of, by Dr. Hermann B. Gessner 843
Melancholia, involution, by Dr. F. F. Young 375
Memorial services for deceased members, by Dr. S. C. Barrow 587
Meningitis, epidemic cerebrospinal, by Dr. F. M. Acree 214
Meningitis, influenzal, is amenable to treatment, by Dr. Charles James Bloom 455
Meningococcemia for eight months following meningitis: recovery, by Dr. I. I. Lemann and Dr. H. E. Teasley 448
Mental retardation, physical relationship to, by Dr. H. R. Unsworth 293
Menville, John J.,—The early roentgen diagnosis of pulmonary tuberculosis 370
Meyer, Monte F.,—Sinus disease in general medicine 484
Milam, D. T.,—Suprapubic prostatectomy 605
Miller, C. Jeff.,—The cancer situation as the laymen should see it 671
Miller, C. Jeff,—The first years of practice: a commencement address 125
Miller, Hillard E.,—Low cervical cesarean section 227
Mississippi Baptist Hospital 413, 898
Mississippi State Medical Association News .. 51, 116, 189, 265, 338, 423, 498, 577, 662, 740, 823, 909
Mississippi State Hospital Transactions 412, 569, 654, 728, 804
Musser, J. H.,—Some observations on gastro-intestinal disease 208
Musser, J. H.,—A note on symphalangism (Case Report) 325

—Mc—

McBride, George A.,—The old time country doctor and today's specialism 437
McCormick, H. G.,—An interesting study in roentgen ray from memory's storehouse 300
McCulloch, Hugh,—Physical diagnosis of rheumatic heart disease in children 507
McIlhenny, Paul A.,—Internal derangement of the knee joint, especially the semilunar 618
McLester, James S.,—The disabilities of advancing years: how to meet them 367

—N—

Neuralgia of the nerves supplying the abdominal wall, simulation of visceral lesions, by Dr. Edwin Press Hall 311
Neuralgia; tic douloureaux; treatment by injection of quinin urea, by Dr. W. A. Lurie 249
Nursing, educational needs of present day, by Dr. H. A. Gamble 165

—O—

Oliphant, T. Hillman,—Right sided diaphragmatic hernia (Case Report) 104
Opthalmology, protein therapy in, by Dr. A. G. Wilde 86
Optic atrophy, early diagnosis, by Dr. M. Earle Brown 244
Orbit, plastic surgery of, by Dr. A. G. Wilde 239
Orleans Parish Medical Society Transactions 48, 175, 332, 418, 494, 571, 657, 734, 809, 900
Osteomyelitis, acute, by Dr. A. G. Payne 797
Osteomyelitis, acute, of the spine. Report of case with recovery. Review of the literature, by Dr. Edward S. Hatch 861
Otitis media, by Dr. J. A. Wilkinson 710
Otken, L. B.,—Acute inversion of the uterus 37
Ovary, surgery of, by Dr. Maurice J. Gelpi 441
Owen, Geo. W.,—A survey of eighty-five cases of rectal stricture 314

—P—

Pain, precordial, by Dr. L. J. Clark 282
Pain, right sided abdominal, and the incidence of kidney and ureteral stone, by Dr. A. G. Payne 20
Palmerlee, C. A.,—Hookworm infestation in Mississippi 534
Parks, Thomas J.,—(joint author),—see Jones, Walter C. 169
Pathology, gross and microscopic, in chronic maxillary sinus disease, by Dr. Robin Harris 138
Patterson, C. W.,—Colitis 361
Pavy, A. B.,—Beri-beri: its medical and economic interest and specific treatment 559
Pavy, A. B.,—Peripheral polyneuritis 167
Payne, A. G.,—Acute osteomyelitis 797
Payne, A. G.,—Right sided abdominal pain and the incidence of kidney and ureteral stone 20
Pediatric aspects of some important surgical conditions of infants, by Dr. J. K. Bullock 81
Peritonitis, acute, treatment of, by Dr. R. D. Kirk 76
Physical agents in treatment of gynecological conditions, by Dr. F. H. Walke 553
Physical diagnosis, some suggestions in, by Dr. Oscar W. Bethea 405
Physical relationship to mental retardation, by Dr. H. R. Unsworth 293
Plastic surgery and its relation to industrial surgery, by Dr. Isidore Cohn 623
Plea for better cooperation between surgeons and pathologists, by Dr. Willis P. Butler 792
Plea for cooperation of Orleans Parish Medical Society with the New Orleans Health Department, by Dr. W. H. Robin 794
Pneumococci, types in the far South, by Dr. J. C. Barton 649
Poliomyelitis, air present; knowledge of; a review, by Dr. Robert A. Strong 252
Polyneuritis, perypheral, by Dr. A. B. Pavy 167
Porteous, Wm. A.,—The doctor in court 61
Potassium sulphocyanate, some observations on effects on elevated blood pressure, by Dr. P. J. Saleeby 93
Practitioner, general, relation to public health program, by Dr. Felix J. Underwood 529
Precipitin test for syphilis, another modification, by Dr. F. M. Johns 279
Precordial pain, by Dr. L. J. Clark 282
Pregnancy, abdominal, probably tubal in origin, by Dr. Walter C. Jones and Dr. Thomas J. Parks (Case Report) 169
Preoperative preparation, by Dr. Urban Maes 14
Prostatectomy, complications following, by Dr. H. W. E. Walther and Dr. R. M. Willoughby 607
Prostatectomy, perineal, by Dr. David M. Davis 599
Prostatectomy, suprapubic, by Dr. D. T. Milam 605
Protein therapy in opthalmology, by Dr. A. G. Wilde 86

Proteotherapy, by Dr. J. W. Gray 385
Psittacosis, a review, by Dr. Willard R. Wirth 132
Psittacosis, note on, by Dr. H. Dickson Bruns 132
Psychoneuroses in general practice, by Dr. Dean H. Duncan 379
Public health program, relation of the general practitioner to, by Dr. Felix J. Underwood 529

—R—

Rappleye, W. C.,—The medical profession and the public 6
Raynaud's disease: presentation of an early case, by Dr. B. H. Texada 643
Rectal anesthesia in obstetrics, by Dr. Lionel J. Bienvenu 705
Rectal fistulae, an office method of treating, without cutting the sphincter, by Dr. J. W. Warren 771
Rectal stricture, a survey of eighty-five cases, by Dr. Geo. W. Owen 314
Reviews 252
Rheumatic heart disease in children, physical diagnosis of, by Dr. Hugh McCulloch 507
Rickets, a study of the incidence of in a group of infants in New Orleans and an effort to prevent the disease in a certain number of that group, by Dr. Rena Crawford and Dr. G. Richarda Williamson 219
Robin, W. H.,—A plea for the cooperation of the Orleans Parish Medical Society with the New Orleans Health Department 794
Roentgen diagnosis of gall bladder disease, by Dr. George M. Street 679
Roentgen diagnosis of pulmonary tuberculosis, by Dr. Leon J. Menville 370
Roentgen diagnosis of pulmonary tuberculosis with especial reference to pathological classification, by Dr. George P. Sims 631
Roentgen ray, an interesting study from memory's storehouse, by Dr. H. G. McCormick 300
Rush, H. Lowry,—(joint author),—see Rush, Leslie V. 892
Rush, Leslie V.,—A simple retention splint for club foot in infants, by Dr. Leslie V. Rush and Dr. H. Lowrey Rush (Clinical Suggestions) 892

—S—

Saleeby, P. J.,—Some observations on the effects of potassium sulphocyanate on elevated blood pressure 93
Sanders, John T.,—(joint author),—see Sellers, Thomas B. 757
Sciatic pain, the immediate handling of, by Dr. Henry Daspit 596
Scudder, Charles L.,—Fractures 753
Sellers, Thomas B.,—The prevention and management of birth canal injuries and the anatomical repair of old lacerations of the perineum, by Dr. Thomas B. Sellers and Dr. John T. Sanders 757
Shands, H. R.,—Surgical diseases of the spleen 156
Signorelli, John,—Hemorrhagic disease of the newly born as a cause of sudden death (Report of three cases of visceral hemorrhages) 467
Silverman, Daniel N.,—The digestive tract in pernicious anemia 357
Simmons, J. D.,—Paranasal sinus disease in infants and children 481
Sims, George P.,—Roentgen diagnosis of pulmonary tuberculosis with especial reference to pathological classification 631
Sims, H. Vernon,—Choriocarcinoma (chorioepithelioma) of the uterus 882
Sinus disease, chronic maxillary, gross and microscopic pathology in, by Dr. Robin Harris 138
Sinus disease in children, by Dr. R. C. Lynch 144
Sinus disease in general medicine, by Dr. Monte F. Meyer 484
Sinus disease, paranasal, in infants and children, by Dr. J. D. Simmons 481
Southern Baptist Hospital Transactions 570, 654, 895

Smith, J. Holmes, Jr.,—Some medical aspects of abdominal pain 889
Speck, C. M.,—A general consideration of the treatment of syphilis 549
Spinal anesthesia, controllable, by Dr. John C. Culley 318
Spinal anesthesia, special reference to, with some observations on the choice of an anesthetic, by Dr. O. C. Cassegrain 539
Splint, simple retention, for club foot in infants, by Dr. Leslie V. Rush and Dr. H. Lowry Rush 892
Spleen, surgical diseases of, by Dr. H. R. Shands 156
Statistical study of the Charity Hospital surgical deaths, by Dr. Frank L. Loria 688
Sterility, by Dr. Joseph Cohen 401
Street, A.,—Carcinoma of the stomach, with case reports 205
Street, George M.,—Roentgen diagnosis of gall bladder disease 679
Strong, Robert A.,—Our present knowledge of acute anterior poliomyelitis: a review 252
Surgery, safeties of, by Dr. Urban Maes 71
Surgical conditions of infants, some pediatric aspects of some important ones, by Dr. J. K. Bullock 81
Surgical mortality: its meaning for the operator, by Dr. Willard Bartlett and Dr. Willard Bartlett, Jr. 683
Symphalangism, a note on, by Dr. J. H. Musser (Case Report) 325
Syphilis, a general consideration of the treatment of, by Dr. C. M. Speck 549
Syphilis, flocculation test for, by Dr. T. W. Kemmerer 159
Syphilis, precipitin test for, another modification, by Dr. F. M. Johns 279

—T—

Teasley, H. E.,—(joint author),—see Lemann, I. I. 448
Texada, B. H.,—Raynaud's disease: presentation of an early case 643
Thiberge, Narcisse F.,—What result may we expect in treatment of allergic diseases 162
Tonsillectomy hemorrhages, by Dr. E. F. Howard 149
Thyroid gland, a practical consideration of the early diagnosis of diseases of, by Dr. William C. Chaney 96
Tuberculosis, pulmonary, early roentgen diagnosis, by Dr. Leon J. Menville 370
Tuberculosis, pulmonary, experience with recent methods in the treatment of, by Dr. Chaille Jamison 693
Tuberculosis, pulmonary, roentgen diagnosis with especial reference to pathological classification, by Dr. George P. Sims 631

—U—

Ulcers, duodenal, in childhood, by Dr. W. F. Henderson 295
Ulcers, gastric and duodenal, diagnosis and treatment of ruptured, by Dr. Gilruth Darrington 201
Underwood, Felix J.,—Relation of the general practitioner to the public health program 529
Unsworth, H. R.,—Physical relationship to mental retardation 293
Upper left abdominal tumor mass in children and some points in differential diagnosis, by Dr. S. L. Brister, Jr. 445
Uterus, acute inversion of, by Dr. L. B. Otken 37

—V—

Varicose veins and varicose ulcers, treatment by injection of sclerosing solution, by Dr. Shirley C. Lyons and Dr. C. B. Brewster 287
Venereal diseases in Mississippi, control with competent treatment by the general practitioners, by Dr. Hardie R. Hays 591

Ventriculography and encephalography in diagnosis and treatment of lesions of the brain, by Dr. E. R. Carpenter 787
Vicksburg Hospital Staff Meeting 567, 729
Vicksburg Sanitarium and Crawford Street Hospital Staff Meetings 45, 113, 172, 260, 329, 415, 491, 654, 730, 805
Vidrine, Arthur,—The cancer problem from the public standpoint 674
Vital statistics, the why of, by Dr. J. George Dempsey 588
Vomiting, epidemic or intestinal influenza, by Dr. R. T. Lucas 213

—W—

Walke, F. H.,—Physical agents in the treatment of gynecological conditions 553
Walther, H. W. E.,—Complications following prostatectomy, by Dr. H. W. E. Walther and Dr. R. M. Willoughby 607
Walther, H. W. E.,—Conservative management of hydronephrosis 18
Warren, J. W.,—An office method of treating rectal fistulae without cutting the sphincter 771
Weiss, C. A.,—First aid for the general practitioner in eye, ear, nose, and throat cases 874
Whitmire, Arthur L.,—Foreign body in zygomatic fossa 799
Wilde, A. G.,—Plastic surgery of the orbit 239
Wilde, A. G.,—Protein therapy in opthalmology 86
